Product information

This full body harness features a rear dorsal D-Ring and front D-Rings with 3 adjustment points. Quick release buckles for easy fitting. Rip indicators are installed to aid with inspections.

Standards

EN 361 (140KG)

Harnesses

Portwest harnesses are required to ensure protection when working at height. Our range of harnesses offer different connection points that can be used in a variety of job functions such as fall arrest, work positioning, suspension and rescue.

Fall Protection

Fall Protection is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of fall protection products for working at height.
