Product information

The HV Extreme Ear Defenders helmet mounted is part of our new generation, premium ear muffs. Its dual pin adjustable cups offer an optimised, alongside a stylish grey and orange design. Excellent attenuation performance provides superior protection against harmful noise. For 30mm universal helmet side slots.

## Standards

EN 352-3:2002 (SNR 33dB)

Ear Muffs

Portwest Hearing protection range includes PPE with different level sound attenuation, to be adapted to various working environments giving the correct protection from dangerous noise, without isolating the workers. New models and colours for earmuffs allow a personalised choice. An updated range of earplugs complete our competitive and performing offer.

Hearing Protection

Hearing problems occur when you are exposed to hazardous working conditions without wearing the correct protective equipment.
