

P431 - Silicone Half Mask

Collection: Respiratory Protection

Range: PPE

Materials: Silicone

Inner Pack: 1

Outer Carton: 8

Product information

Experience superior fit and comfort with our premium half mask made from high-quality silicone. The dual bayonet filter connection ensures exceptional weight balance and a wide field of vision, while the ABS filter holders and frontal exhalation valve provide superior protection. The support harness is attached to the rigid body of the mask, preventing any marks on the user's face and ensuring a more uniform fit. Available in two sizes for the perfect fit, this mask is also quick and easy to disassemble for cleaning. Filters are sold separately.

Respiratory Protection

The Portwest industrial range of disposable and reusable respirators includes Half Masks and Full Face Masks designed to offer the most comfortable and best fitting products in the marketplace. Conforming to EN standards EN149 (Particulate Filtering Half Masks), EN140 (Half Masks) and EN136 (Full Face Masks). Complete with a full range of interchangeable filter options on the Half and Full Face Mask styles. EN14683 (Medical Masks) and 2 or 3 layer Fabric Face Coverings with antibacterial styles are also available within the range.

PPE

Portwest Head PPE range applies the latest standards to deliver the highest level of protection. Comfortable and lightweight, the PPE range will ensure a pleasant wear, even for long periods of use. Your safety is our mission.
