Product information

Our HV extreme premium colour coded ear defenders offer helmet-mounted hearing protection that ensures superior noise attenuation. The ear defenders are specially designed to be used with Portwest Endurance and Height Endurance helmets, and can be easily attached to the helmets for a secure and comfortable fit. With medium attenuation performance, our ear defenders are perfect for environments where noise levels can be harmful. The colour-coded cups make it easy to identify the correct attenuation level, ensuring maximum protection.

Hearing Protection

Hearing problems occur when you are exposed to hazardous working conditions without wearing the correct protective equipment.

PPE

Portwest Head PPE range applies the latest standards to deliver the highest level of protection. Comfortable and lightweight, the PPE range will ensure a pleasant wear, even for long periods of use. Your safety is our mission.
