Product information

The neckband ear defenders from our premium colour coded hearing protection range HV extreme enhances the choice of ear protection and are unique to our range as they can be worn in combination with head protection such as helmets or bump caps thanks to the neckband connected ear cups. The over-the-head hook and loop strap provides extra adjustment for a secure fit. With a striking orange contrast colour serving as a clear signal for maximum protection, these ear defenders, along with PW62 and PS43 styles, provide unmatched safety.

Hearing Protection

Hearing problems occur when you are exposed to hazardous working conditions without wearing the correct protective equipment.
