

Traffi®

THE HAND PROTECTION SPECIALISTS

TG6060

A flexible, highly dextrous Cut E double dip X-Dura nitrile waterproof glove. The extended cuff provides additional cut protection, comfort, and ensures a secure fit to protect the hand from dirt and debris. A full dip waterproof glove with extra nitrile foam palm for enhanced grip, excellent abrasion and tear resistance in wet and oily conditions. With a yarn made from 12% rPET, this is also a more sustainable option to keep your hands protected.

Key Features

- Full dip waterproof glove with extra nitrile foam palm for enhanced grip in wet and oily conditions
- Generous knit wrist for comfort and to ensure a secure fit and protects hand from dirt and debris
- Excellent abrasion and tear resistance
- Touchscreen compatible

Ideal for

- Construction and utility
- Engineering and manufacturing
- Oil and gas
- Waste, recycling and local authority
- Warehousing and logistics
